If you are planning a company meeting or training of any sort, the AGC NYS has several options for your use. The Spencerport Safety Training Center, the Safety Training Center in Albany, or the Albany Office can be the ideal location. We encourage all AGC NYS Members to take advantage of the these facilities for your meeting and/or training location needs. For reservations in Spencerport, contact Jim Redmond at 585-370-1853, for reservations at the Albany Training Facility contact Dennis Kiefer 518-456-1134 and for the Albany Office please contact us at 518-456-1134 to check availability and reserve dates and times.

**FEE: \$200 per person for AGC NYS Members  
\$250 per person for Non-AGC NYS Members  
(Includes Lunch)**

The EPA has ruled that contractors who perform renovation, repairs, and painting must train and re-certify in lead-safe work practices before renovating older housing.

These strict new EPA rules take effect April 22, 2010. New certification is required for all home improvement activity that disturbs more than 6 square feet of interior or 20 square feet of exterior lead paint in housing built before 1978, and in any child-occupied facility.

**TRAINING: (8 Hours) -Renovation firms must have at least one certified Renovator who has completed training and obtained certification from EPA as well as a firm certification from EPA.**

Those who have already completed lead safe work practices or abatement supervisor, or worker certification can attend a half-day refresher.

The course concludes with a twenty-five (25) question exam.
