LET'S GET TO WORK!

The Voice of Long Island's Highway & Infrastructure Professionals

The undersigned organizations, representing the construction industry and employers across the State, support the Senate's rejection of Part Q of the TED Bill and endorse the following proposals for the improvement and continuation of New York State's MWBE Program:

- Amend the present version of Executive Law Article 15A only to extend provisions presently sunsetting in December 2018 to December 31, 2019 to permit the procurement of a disparity study compliant with the standards of *Croson* and other Constitutional standards and provide an appropriation of \$2 million for the conduct of said study;
- Clarify that contract-specific goal setting analyses required by law and regulation must be available pre-bid and included in project specifications.
- Provide appropriation of \$2 million for the re-establishment of the Alliance of Majority & Minority Contractors Mentor Program to grow and develop MWBE capacity statewide.
