- PLACE:** AGC NYS, LLC Safety Training Center
1115 East Main Street, 3rd Floor, Suite 7, Rochester
- FEE:** \$500 per person for AGC NYS Members;
\$600 for non-members.
Price includes 30 Hour Course Manual, OSHA Standards Book, and lunch.
- LEAD**
- TRAINER:** Jim Redmond, AGC NYS Safety Director

This program takes an extensive look at OSHA's 1926 Construction Safety Standards. Effects of injuries on workers' compensation and liability insurance are covered and time is spent addressing how to manage OSHA-related issues. Demonstrations, mock-ups and hands-on exercises are utilized to apply material covered.

Workshop sessions are used to present the group with site scenarios and participants are required to develop a plan to address safety hazards that may exist during the course of a construction project.

Instructors will include AGC NYS Staff and guest speakers, including **Emmitt McDevitt**, Federal Highway Administration (FHWA) – Manual of Uniform Traffic Control Devices (MUTCD)

Rich Monroe, Genesee Valley BOCES, Master Electrician – Electrical Hazards in the Construction Industry

Don Ross, Call before you Dig

Joe Davis, formerly with Jackson Welding Supply – Welding & Torching Techniques

Peter DeLucia – AAC Contracting – Asbestos in Construction

This program is a comprehensive study of construction safety and will benefit anyone from owners to laborers.

OSHA 30 Hour cards are distributed to participants who complete the program. Price includes 30 Hour Course binder, 29 CFR 1926 Standard, breakfast and lunch.
