COVID-19 Response – Application Processing

As part of the citywide response to the Coronavirus, Department of Buildings (DOB) customers are being encouraged to immediately limit the amount of walk-in traffic to DOB offices. Effective Wednesday, March 18, customers are strongly encouraged to make use the following methods:

- Continue to use eFiling for Hub Development, Full, Self-Service jobs and AHV permits
- Continue to use DOB NOW: Build for all applicable work types.
- The Administrative Enforcement Unit, Licensing and Enforcement units are currently maintaining their normal functionality. Additional Service Notices will be posted this week with updates on these transactions.
- Customer Service Night is cancelled on Tuesday, March 17, 2020 and until further notice.

Transactions conducted at a DOB borough office that are not listed, will continue to take place in-person, including Records Room requests and other functions that require a service ticket.

### Transactions with Payments

For the above transactions that cannot be processed in eFiling or DOB NOW, mail the application to the appropriate borough office and include on the envelope Attn: Application Processing. Attach to the application a check or money order for the amount owed payable to the NYC Department of Buildings.
