## AGC NYS Cornerstone

This quarterly publication carries highly informative, thought-provoking and authoritative articles covering such subjects as building, highway, safety, government affairs, education, new technology and materials, as well as updates on Association and Member activities.

### *Circulation*

The AGC Cornerstone circulation includes approximately 3,000 specifically targeted mailings per issue. In addition, copies are included in the registration packets for AGC's largest events including the Construction Industry Conference and Summer Meeting, greatly increasing its visibility.

As an advertiser, you can be assured that your ad will be placed in the hands of the top decision makers in the New York construction industry.

## Membership Directory

The membership directory offers a full listing of the entire AGC NYS Membership broken down alphabetically and by region. It has a shelf life of 12 months and is a source of referrals for Members.

Increase your brand exposure and be seen by the hundreds of Members who rely on our directory on a daily basis.

### *Note: Tab Style Advertising*

As in years past, the directory offers tab style advertising in black/white and color. The tabs, which are printed on glossy card stock for easier viewing, separate the sections of the directory. Full and half page advertising opportunities are available.

## AGC NYS Mobile Application

AGC NYS has launched a sophisticated new mobile application which will greatly enhance our communications with Members. The app “AGC NYS,” while available for free to download to the general public (iOS and Android devices only), also includes special “Members Only” information (password required) such as access to AGC NYS’s Membership Directory. The development of this app has been received by Membership with great enthusiasm as a way to help AGC NYS evolve with the changing ways of modern communications by bringing important and relevant information about the construction industry directly to our users’ fingertips.

By advertising on our mobile application, users will be able to click on your scrolling ad and be taken directly to the URL of your choice. With a growing user base, this feature will be sure to increase interaction between your company and AGC NYS Members and their employees. Advertising on the app is sold in six month increments and provides a 15% discount for AGC NYS Members.

## AGC NYS Website

The AGC NYS website, which was recently upgraded, features prominent opportunities for your organization to increase its presence among leading construction industry professionals. The rotating banner on the homepage is a great place to be if you wish to increase traffic to your website.

Each ad will allow you to link to the URL of your choice increasing your web traffic. Space is limited so be sure to contact us today if you are interested.

# About AGC NYS

The Associated General Contractors of New York State is the leading voice of the building and heavy highway construction industry, representing contractors and related companies dedicated to the ideals of skill, integrity and responsibility. Membership in AGC NYS provides you with the opportunities to participate in addressing and learning from all the issues and problems created by the complexity of New York State's current and future political, legal and regulatory environment.

For more than 80 years, AGC NYS has delivered a variety of services and programs effectively organized to truly protect the interests of our Members. Governed by a Board of Directors and supported by a complement of committees and task forces, our Association is able to quickly adapt to meet the challenges confronting the entire Membership and New York's Construction Industry.
