“For Expenses Only” Postmark

Deadline: May 15, 2019

The AGC NYS, LLC. is a nonprofit association of general contractors, subcontractors and other construction-industry affiliated firms engaged in building, highway, heavy, industrial, municipal and utility contracting. In our industry, we are one of the largest AGC chapters in the nation, and the only statewide organization in New York.

Since our inception we have been instrumental in bringing about economic and infrastructure development in New York through our involvement in legislative affairs, specifications reviews, labor negotiations, education, highway budgeting and appropriations and many other subjects of importance to AGC members statewide. We have fostered cooperation between the contracting community and the public works administrations of the State, County and Town governments.

In 1988, we reactivated its scholarship program. Since then, the fund has distributed more than \$1 million in the form of over 600 scholarships to college students working toward a degree in Civil Engineering, Construction Technology and Construction Management.

The AGC NYS, LLC. Scholarship program is funded by our members through our annual Anthony S. Santaro AGC Scholarship Golf Classic; by individual member donations and through endowments.
