

How will PDH's work at the 2020 Virtual Industry Conference?

In order to get PDHs credits you **must be individually registered** for the Industry Conference, please check the box labeled "Obtaining Professional Development Credits" when registering

### Attendee #1

---

Name \*

Email \*

- General Registration (\$250)  Work Zone - Certified Flagger Training (\$25)  Work Zone Competent Person (\$25)  
 Concrete Flatwork (\$350)  Anchor Adhesive (\$550)  Obtaining Professional Development Credits (PDH)  
 Add Attendee #2

Courses will be running live at their scheduled time. **A PDH can only be obtained from attending the live scheduled time for the session.**

Upon entering a course offering PDH's, the moderator will provide the run of show. *You will be asked to engage in the chat box at the beginning, middle and end of the session.*

The staff will use the analytics from the back end of the site to ensure you attended the full session and engaged as required for PDH acceptance.

The speakers will be available for real time questions at the end of the presentation, if you have follow-up questions or discussion for the presenters, they will be available throughout the conference in the networking tab.

After the conference we will be contacting you at the email address you registered with, confirming which courses you fit the criteria for PDH, then we will send your certificates to you electronically.

PDH's are currently pending on most sessions, please check back for updates on the approved status:
