Safety Guidelines for MTA Construction Work

LET’S KEEP THIS CONSTRUCTION SITE SAFE FOR EVERYONE

• Monitor yourself for symptoms
  Symptoms include fever, cough, shortness of breath, chills, repeated shaking with chills, muscle pain, headache, sore throat and new loss of smell or taste

• Practice social distancing; Phase work when necessary
  Stay 6 feet away from others whenever possible

• Limit crew sizes
  Reduce interactions with other work crews and limit the sharing of tools

• Wear proper PPE; Don’t share it
  Gloves and masks provide additional virus protection
  Wear a mask when social distancing guidelines cannot be observed

• Keep a clean worksite
  Disinfect shared tools between uses and increase cleaning of contact surface

• Properly dispose of used PPE
  Immediately clean or discard used masks and gloves

• Maintain proper hygiene
  Wash your hands for 20 seconds several times a day

• Follow MTA protocols if you feel sick
  Inform your supervisor and call the hotline
