SAFER

SAFETY SERVICES

AGC NYS offers specific services to promote a safe and productive workplace, including:

- [OSHA 10 & 30-hour training](#)
- [Job site inspections](#)
- [Issue-specific training](#)
- [Safety consultations](#)
- [Workers' Compensation Safety Group](#)

OSHA Training

Our staff will walk you through how to handle OSHA citations, defense and proper documentation.

Job Site Inspections

AGC NYS visits job sites to assess projects across a variety of categories. Audits in the NYC area include:

- World Trade Center & Westfield Properties
- Retail: Hollister, Nike, REI and Zara
- DASNY, SUNY and CUNY
- Metro North Railroad

Safety Consultations

We look for hazards and violations at your site and address potential issues with general and subcontractors. After providing a written report, our staff will discuss corrections and a look-ahead strategy with your project's super to properly address safety concerns.

Workers' Compensation Safety Group

The AGC NYS Workers' Compensation Safety Group #550 is underwritten by the New York State Insurance Fund (NYSIF) and managed by GCG Risk Management. This competitive alternative to the open market has provided average dividends of 25% in its 23-year history, with nearly 50 members enrolled in the program. Additionally, AGC NYS offers loss control services to help you navigate all of your claims needs.

STRONGER

GOVERNMENT & LEGISLATIVE RELATIONS

AGC NYS is the voice of New York's construction industry, providing resources and advocacy to elected officials of the [State Legislature](#) and City Council. We work with regulatory agencies such as DOB, FDNY, DFS and Empire State Development. As a member of AGC NYS, you will have a team of policy professionals working for you around the clock with city and state contracting agencies like:

- DASNY
- NYSCA
- SUCF
- NYCDDC
- OGS

SPECIFICATION REVIEW

[Our team reviews public and private project bidding documents](#) to ensure they are concise, complete and comply with rules of good practice and equity as well as applicable law and equity. AGC NYS drafts standard specifications through joint committees with designers, public agencies and authorities.

"AGC NYS' contract and specifications review is worth its weight in gold."

-Ed Lewis, SPK Lewis
