Over the years, ECA has developed one of the most successful Supervisory Training Programs (STP) in the country...over 100 Superintendent Courses since the inception of the program some 25+ years ago, training over 3,000 local supervisors, trades people, and office personnel.

Unit #2, Communication will cover: Effective communication; Learning to listen; Carrying on conversations; Persuasion, negotiation, and confrontation; Communicating with your crew; Putting it in writing; Meetings that work ; Electronic communication; and Improving communication

- ❖ Communication is for Superintendents and foremen, people who aspire to become superintendents and foremen; people who work with superintendents and foremen; supervisors who work for subs; field secretaries; owners, architects, and engineers; anyone who communicates with the job site.

If you have any employees who may be interested or if you would like additional information on the STP, please call or e-mail Laura Regan at ECA (518-869-0961/laurar@ecainc.org). The Program has been developed by the Associated General Contractors of America. More than 200,000 individuals have participated in STP courses nationally. It was developed by contractors for contractors. Give it a look if you haven't already done so!
