AGC NYS Prevailing Rates Poster

By Chapter 458 of the Laws of 1999, all public works projects must have a sign posted on the site in a conspicuous location that reads "PREVAILING RATE OF WAGES" in two-inch block letters able to withstand adverse weather conditions. AGC NYS has available a two-foot by two-foot sign meeting the lettering and weatherproof requirements. In addition, a weatherproof pouch is attached in which the prevailing rates may be placed for easy access by any interested party. **Effective February 24, 2008** – NYS Department of Labor requires that all Public Work Projects have the specific DOL notice posted on all prevailing wage jobsites. AGC NYS has incorporated this poster into its Prevailing Rates poster.

<p>Please click here for an order form.</p>	<p><i>Workplace Danger Signs</i> OSHA 1926.200 requires that signs and symbols shall be visible at all times when work is being performed. AGC NYS's "DANGER" signs meet the compliance regulations of this OSHA Standard. Each sign measures 10" x 14", is made from durable 1/8" thick plastic, and graphics are screen printed to stand up to all types of weather. Holes are punched in each corner for easy installation, and each sign is available in English or Spanish.</p>
<p>Please click here for an order form.</p>	<p><i>AGC NYS Jobsite Safety Handbook for New York's Construction Industry</i> AGC NYS prepared this pocket-size guide to assist New York State's construction industry in achieving an accident-free environment. The guidelines listed in the book are based on OSHA's construction industry standards. It is not intended to be an all-inclusive list, but simply a synopsis of the items most commonly overlooked on the jobsite. Available in English and Spanish versions.</p>
<p>Please click here for an order form.</p>	<p><i>OSHA Safety and Health Standards for Construction (1926)</i> The Code of Federal Regulations, Part 1926 Construction, also Part 1903 - Inspections, Citations, and Proposed Penalties, Part 1904 - Recording and Reporting Occupational Injuries and Illnesses, and Part 1910 - General Industry - Selected Topics.</p>
<p>Please click here for an order form.</p>	<p><i>AGC NYS ToolBox Talks on CD</i> AGC NYS ToolBox Talks are produced by our professional safety personnel and include pertinent and current topics, such as Asbestos, Scaffolding, Respirators, LPG, and much more. ToolBox Talks are designed for use by company safety supervisors during weekly jobsite meetings. Over 100 ToolBox Talks are included on this CD-ROM.</p>
<p>Please click here for an order form.</p>	<p><i>Emergency Medical Information Safety Sticker</i> Keep crucial emergency medical information within reach on the jobsite with AGC NYS's Emergency Medical Information Safety Sticker.</p> <p>This is a sticker that is applied to a worker's hard hat. The reverse side has all the pertinent information in case of accident or emergency. The outside has an easily recognizable "red cross" to alert EMTs or paramedics. Personal information is hidden when the sticker is applied to the hard hat. During an emergency, just peel the sticker to reveal the emergency medical information.</p> <p>These labels are ideal for hard hats and wallets. Don't waste valuable time looking for medical information in paper files in the jobsite trailer. Now every one of your workers can carry emergency information with them wherever they go.</p>
